Facebook Scam Targets AG as Victim of Identity Theft

July 25, 2018, Tamuning, Guam- Attorney General Elizabeth Barrett-Anderson is one of the latest victims of a Facebook identity theft scam and warns citizens.

“Even an Attorney General is susceptible to identity theft. Fortunately, the people of Guam know who I am. Unfortunately, outside of Guam this scam might appear very enticing to victims looking to win fast money,” said Attorney General Elizabeth Barrett-Anderson.

“We have reported the scam to FACEBOOK and requested that it be shut down immediately. We have also informed the National Association of Attorneys General to be on the watch for similar scams. I plan to search my name more often on the Internet,” she said.
