**FOR IMMEDIATE RELEASE**

## **GOVERNOR MUST FOLLOW FURLOUGH PROCEDURES**

*March 01, 2018, Tamuning, Guam-* Attorney General Elizabeth Barrett-Anderson issued a memorandum to the Governor today advising him that he cannot implement a 32-Hour work week until he follows all furlough procedures established by the Department of Administration Personnel Rules & Regulations, which includes the development of a furlough plan.

“In fact, a financial emergency is one of the primary reasons for initiating furlough procedures, not a reason to avoid them,” she stated.

As a result of the Attorney General’s advice, the Governor has agreed to postpone implementation.
