Hagatna, Guam- Pauline R. Chaco, Investigator IV for the Child Support Division of the Office of the Attorney General, was chosen as the recipient of the National Child Support Enforcement Association's 2012 Outstanding Manager of the Year Award.

Each of the 50 states and U.S. territories were given the opportunity to nominate their candidates for this prestigious award that recognizes experienced managers in the public and private sector who have made significant contributions to improving the lives of children through their efforts to promote more effective child support enforcement at the local level.

"Pauline has made significant contributions to the local child support community and we are so pleased she has been recognized on the national level for all her successes. This proves her ability to serve the needs of the children and parents of Guam; she has made this Office and our Island proud," said Attorney General Rapadas.

Chaco will be presented her award at the NCSEA's annual conference to be held in Denver, Co. this August.
